TERMS AND CONDITIONS

1. **PURCHASE, DELIVERY AND OTHER CONDITIONS:** In addition to any other conditions regarding purchase and delivery of the vehicle, the following conditions apply:
 - a) The buyer acknowledges that the seller will hold all right and title to the vehicle until all amounts owing to the seller under this contract have been paid in full.
 - b) The buyer agrees to complete payment and accept delivery of the vehicle within 7 days of the seller notifying the buyer that the vehicle is available for delivery. If the buyer fails to do so, the seller is entitled to compensation as described in paragraph 2 and 3;
2. **BUYER'S FAILURE OF PAYMENT:** If any form of payment for any whole or partial amount due under this contract is dishonored, refused, or misrepresented, then such payment will be deemed to be unpaid. In this case, the buyer and the seller agree that:
 - a) The unpaid payment is a breach of a fundamental term of this contract and the seller is immediately released from any obligations under this contract;
 - b) The seller is entitled to immediate possession of the vehicle as if the seller had never parted with possession of the vehicle, and the seller may exercise all rights to possession;
 - c) The buyer appoints the seller as the buyer's lawful attorney to transfer title and ownership of the vehicle to or to the order of the seller, and to execute all documents on behalf of the buyer to transfer title and ownership of the vehicle; and
 - d) The buyer will immediately reimburse the seller for all costs, charges, and expenses incurred by the seller that arise out of such refusal, dishonor or misrepresentation, including without limitation, all costs of taking possession, any reasonable cost of repairs, parts, lien payouts, handling and storage expenses, a reasonable selling commission and full indemnity for all legal costs.
 - e) In addition to any other action the seller may take to recover these expenses from any partial payment, deposit or proceeds from the sale of the trade-in vehicle.
3. **BUYER'S FAILURE TO ACCEPT DELIVERY:** If the buyer fails to accept delivery of the vehicle, then:
 - a) The buyer will pay all of the seller's reasonable expenses, including without limitation, loss of profit and expenses for storage and preservation of the vehicle, resulting from the buyer's failure to accept delivery;
 - b) In addition to any other action the seller may take to recover these expenses from any partial payment, deposit or proceeds from the sale of the trade-in vehicle.
 - c) The buyer agrees that the amounts described in subparagraph a) may be retained by the seller not as a penalty but as an agreed portion of liquidated damages payable towards any total damages the seller has suffered.
 - d) The seller may be dispose of the vehicle without any further obligation or liability to the buyer.
4. **CHANGES IN TAX PAYABLE:** Should any change in taxes levied by any level of government between the date of this contract and the actual delivery date of the vehicle have the effect of altering the purchase price of the vehicle, then the buyer and the seller agree that the purchase price will be adjusted to reflect the change in tax.
5. **MISREPRESENTATION THE BUYER REGARDING TRADE-IN VEHICLE:** If the buyer misrepresents any fact or matter about trade-in vehicle, the seller may either cancel this contract or reappraise the value of the trade-in vehicle. Where the seller chooses to so cancel this contract, the buyer must return the vehicle to the seller immediately. If the buyer does not return the vehicle immediately, the seller may repossess the vehicle. The buyer agrees to pay all of the seller's expenses arising out of the misrepresentation, including without limitation, any costs for repossessing the vehicle and for the use, repair and reconditioning of the vehicle, the trade-in vehicle or both. After the buyer returns the vehicle, the seller will return any partial payment, deposit or trade-in vehicle, less the seller's cost arising from such misrepresentation, any reasonable cost of repairs, parts, lien payouts, handling and storage expenses and reasonable selling commission, and the seller may set off any of these foregoing costs against such partial payment, deposit or trade-in vehicle or any of them. If the seller has already sold the trade-in vehicle, the seller will pay the buyer an amount equal to the actual selling price of the trade-in vehicle less the seller's reasonable cost of repairs, parts, lien payouts, handling and storage expenses and a reasonable selling commission. Where the seller so chooses to reappraise the trade-in vehicle, the buyer will pay the seller the difference between the allowance for the trade-in vehicle as indicated in this contract and reappraised value of the trade-in vehicle.

Interest Calculation: Your Loan does not have grace or interest free periods. We charge interest from the Date of Advance. We calculate interest daily on the unpaid Principal Amount (line 21 of your Disclosure Statement) using your annual interest rate. You pay interest as part of your regular payment on each Regular Payment Date (line 27 of your Disclosure Statement). If you miss or defer a payment we also charge interest on such missed or deferred payment until it is paid (this results in "compounding of interest"). If your regular payment is due on a Saturday, Sunday or any day we are not open for business in Ontario, your payment will be processed the next day we are open and we will continue to charge interest until we process your payment. We calculate interest using a 365 day year even during a leap year. This means that when the term of your Loan includes a February 29th, the effective annual interest rate charged on the unpaid Principal Amount is equal to the Annual Interest Rate stated above multiplied by a fraction, the numerator of which is 366 and the denominator of which is 365. You will continue to pay interest even after: (1) the Last Payment Date (line 30 of your Disclosure Statement) if there is an unpaid balance of Principal Amount; (2) a default occurs under your Agreement and we demand full payment of the Loan; (3) we obtain a legal judgment against you.

Variable Interest Rate Loans: If your Loan is a variable rate loan, the interest rate in line 33 of your Disclosure Statement is your initial annual interest rate. This rate can change. It will go up or down as the TD Prime Rate goes up or down. Any change in your annual interest rate changes the cost of borrowing charges of your Loan and the total amount you must repay. If your annual interest rate goes up it will also cause the amortization period to be longer. If your annual interest rate is greater than _____% per year, your regular payments will not cover the interest you owe on each date a regular payment is due. In this case, any interest you do not pay will be added to the Principal Amount and will also be charged interest. We may adjust the amount of your regular payments at any time to ensure that your regular payments will cover the interest you owe on each regular payment date. If we decide to make this adjustment we will notify you in writing.

Payment Application: Each payment you make (other than for a specific fee) is applied in the following order: (1) against interest; (2) against the Principal Amount; and (3) against any default charges or administration fees you may owe us.

Prepaying Your Loan: You may prepay all or part of the unpaid Principal Amount at any time without charge or penalty. If you prepay all of the Principal Amount, we will refund you a portion of any lender administration fee in accordance with applicable law. We will not refund other portions of the Cost of Borrowing such as interest and any imputed rebate/discount had you paid cash. This refund of the lender administration fee is determined by multiplying the amount of the lender administration fee by a fraction which is the number of days remaining in the term of your Loan divided by the number of days in the entire term of your Loan. For example, if your Loan includes a lender administration fee of \$500, the term of your Loan is 24 months, and you repay the Principal Amount after 12 months, your refund will be \$250. Provided you are not in default under this Agreement, we will pay any refund either by cheque (payable to you and any co- buyer) or by direct deposit to the bank account you use to make your payments. If you are in default under this Agreement, we will apply any such refund to what you owe us.

Optional Services: We have included the fees or premiums for services or insurance you purchased in the Principal Amount and have paid the fees or premiums in a lump sum payment to the service provider or insurer. If permitted by law, you may cancel any optional services or insurance of a continuing nature by giving the service provider or insurer 30 days written notice of cancellation. You may also provide shorter notice as described in your service or insurance contract. If you cancel an optional service or insurance, you may receive a refund from the service provider or insurer based on unused services or insurance which you already paid for. You authorize us to direct the service provider to pay us any such refund so it can be applied to what you owe us.

Default Charges: We will charge you a fee of \$45.00 (or such other amount as we notify you from time to time) plus any taxes for each cheque or payment item which you use to pay your Loan which is returned. We will also charge interest on the overdue amount, including on overdue interest, until those amounts are paid. We may charge you for our legal costs and other expenses we incur to collect the amounts you owe us and in repossessing and selling your vehicle on default.

Security and Title: You give us a security interest in your vehicle (including any attachments, accessions, repairs or replacement parts or other equipment placed on your vehicle) together with all proceeds (which includes insurance proceeds) from such goods to secure the repayment of the Loan (and the payment of all other amounts you may owe us under any other agreement from time to time). We also retain title to your vehicle until you repay your Loan and any other debts you owe us. When you repay your Loan and any other debts you owe us we will discharge our security interest in your vehicle and title to your vehicle will then transfer to you. We may register a financing statement to perfect our security interest in your vehicle and, if permitted by law, you waive your right to receive a copy of any financing statement or financing change statement that we register.

1. **Skipping a Payment:** At your request, we may allow you to skip one or more regular payments. To qualify for a skipped payment, your Loan must be in good standing, meaning that you have made all required payments under your Loan when due. Please note that if you skip a payment the term and amortization period of your Loan will be longer and the date of your last payment may fall on a later date than is set out in your Disclosure Statement. We will charge interest on any skipped payment at your annual interest rate. The additional interest will be due on the date of your last payment. We will confirm the terms on which we allow you to skip one or more payments in writing.

2. **Renewing Your Loan:** If the amortization period of your Loan is longer than the term of your Loan, we may continue to lend you the remaining balance of your Loan for a renewal term. If we choose to renew your Loan, you will repay the remaining balance by making regular monthly payments during the renewal term. We will confirm all of the terms and conditions of the renewal of your Loan (such as how many months your Loan will be extended for, the annual interest rate and the amount of each regular payment) in writing.

3. **Your Promises to Us:** You promise and agree to do the following:

- (a) keep your vehicle in good condition, make and pay for all necessary replacements or repairs, and allow us to inspect your vehicle at any reasonable time. We have no obligation to maintain or repair your vehicle or to obtain or perform any other service the manufacturer or the dealer has agreed to perform.
- (b) ensure that any driver of your vehicle has a current and valid driver's license, and is not prohibited from operating your vehicle.
- (c) operate your vehicle in accordance with the law and with all the requirements of your insurance.
- (d) not give up possession of your vehicle, or transfer, lease, rent or sell your vehicle, without first getting our written consent.
- (e) pay all amounts you owe us when they are due without setoff, counterclaim or defence, even if your vehicle is damaged, destroyed, stolen or does not function properly, and even if you have any claims against or disputes with the dealer or the manufacturer of your vehicle.
- (f) pay all taxes, assessments, license fees and any other charges against your vehicle, and keep your vehicle free and clear of all liens and encumbrances.
- (g) contact us in writing within five (5) days if there is a change in your address.
- (h) not relocate your vehicle out of the province or territory listed in your address above for more than thirty (30) consecutive days, or relocate your vehicle out of Canada, without first getting our written consent.
- (i) complete a condition report (using a form which we approve) about your vehicle or any trade-in vehicle.

4. **Your Statements to Us:** You make and agree to the following statements (**representations**):

- (a) you have entered into a contract with the dealer for the purchase of your vehicle.
- (b) you have examined your vehicle with the dealer, and your vehicle was in good condition and satisfactory when delivered, and the dealer has provided you with any and all information about the history and condition of your vehicle (either by giving you a vehicle history disclosure statement or by another method) as required under applicable law.
- (c) the vehicle you have traded-in is free of all liens and security interests except for any liens and security interests which you have disclosed to the dealer in writing.
- (d) all information and statements you have provided to us in connection with your Loan and this Agreement and in your credit application are true, accurate, and complete.

We make no representations to you about your vehicle or your rights under this Agreement.

5. **Insurance:** You must keep your vehicle insured against total loss, fire or theft for its full insurable value. You can buy insurance from any insurer or agent of your choice who is lawfully permitted to provide such insurance. However, we have the right to disapprove the insurer you choose or the type and amount of insurance you buy. We (TD Auto Finance (Canada) Inc.) must be named as the loss payee on your insurance policy. You will give us proof of insurance if we request it from you. If you do not get the required insurance on your vehicle, we may, at our option, get it for you and add the premium to the Principal Amount. If your vehicle is damaged you will use any insurance monies to repair the vehicle. If your vehicle is lost, destroyed, or seriously damaged, we may, at our option, decide to use the insurance monies to replace your vehicle or to apply them against what you owe us. You must immediately pay us any remaining balance after we apply the insurance monies to what you owe us. You authorize us to receive and endorse insurance cheques and drafts in your name. Optional insurance (life, disability or other) is not provided by us, and you do not have to purchase it.

6. **Paying for our Losses:** Whether or not your vehicle is insured, you must protect us and save us harmless from and against all claims, losses or damages (**losses**) that we suffer because of the use and operation of your vehicle, whether by you or anyone else. We can ask you to pay for our losses or sue you in court to recover them.

7. **Default:** You will be in default under this Agreement if any of the following happens:

- (a) you do not make a payment when it is due.
- (b) you break your promises to us under this Agreement, or any of your statements to us under this Agreement or in your credit application are false or misleading.
- (c) you become bankrupt or insolvent.
- (d) your vehicle is lost, stolen, abandoned, destroyed or damaged beyond repair, or seized by your creditors or any government authority.
- (e) you are in default under any other contract or agreement with us or any of our related or affiliated companies or their successors or assignees.
- (f) anything happens that we reasonably believe endangers your vehicle or negatively affects your ability to repay your Loan.
- (g) we reasonably believe that you or other persons connected to you have committed fraud, or criminal or illegal activity in relation to this Agreement, the Loan or your vehicle, or we determine it would be unlawful for us to continue to provide you with financial services or have this Agreement with you.

8. **Enforcing our Rights:** If you are in default we may do any of the following as permitted by law:

- (a) require that you immediately pay the entire outstanding Principal Amount plus any unpaid interest and any other amounts you owe us.
- (b) sue you to recover all amounts you owe us.
- (c) take possession of your vehicle.
- (d) appoint a receiver.
- (e) cancel any optional insurance or services that we financed for you, and instruct all of these optional insurers and service proceeds or refunds from the cancellation directly to us.
- (f) debit any account you have with us or our affiliates (any member of TD Bank Group) to pay any amounts you owe us.
- (g) exercise any other rights and remedies that we have at law or equity, including under the Personal Property Security Act. You must pay all of our costs and expenses associated with exercising our remedies, including legal fees (on a full indemnity basis) and fees we pay to locate you or to locate, take, hold, repair or sell your vehicle. We can choose to exercise only certain remedies or all of them, and we can exercise our remedies in any order. If we are delayed or omit to enforce any of our rights under this Agreement, this does not mean we have waived these rights, and we may still exercise them.

9. Repossession and Sale of Your Vehicle After Default: If we take possession of your vehicle, we are not responsible for any loss or damage to your vehicle (including to any goods located in your vehicle). You authorize us to enter your property to recover your vehicle. We may sell your vehicle in any way permitted by law, which includes tender, public or private sale. You also agree that it will be commercially reasonable for us to sell your vehicle at an auto auction house in a sale open to either all dealers or closed to only those dealers who deal in the brand of your vehicle. Unless prohibited by law, you will still be liable to us for any remaining amount you owe us after we sell your vehicle. This is called a deficiency balance.

10. Fines, etc.: If we pay any taxes, insurance premiums, repair costs, liens, tickets, fines, penalties or any other charges or expenses connected to your vehicle, we will add these expenses to the Principal Amount, we will charge interest on these expenses and they will be secured by this Agreement. We may apply any of your monies which come into our possession toward the payment of these amounts.

11. Governing Law: This Agreement is governed by the laws of the province or territory indicated above as your address. If any provision of this Agreement contravenes these provincial or territorial laws, the provision will be severed from this Agreement and the rest of this Agreement will remain valid and enforceable. If you are a corporation you waive your rights under the Limitations of Civil Rights Act (Saskatchewan).

12. Co-Signers: If more than one buyer is signing this Agreement, each of you is liable both individually and collectively as a group for payment and performance of the Loan and any other obligations owed to us in this Agreement.

13. Assignment: You consent to the assignment of this Agreement to TDAF, and you acknowledge that the dealer and TDAF are not agents of one another. We can transfer or assign all or part of our interest in this Agreement, your payments, or your vehicle to others without getting your consent or notifying you. You may only assign this Agreement to another

person if you get our written consent first. We may decide not to give you our consent, or we may give our consent subject to terms, which may include requiring you to pay any fees that we charge for assignments or contract registration changes.

14. Changes: We may adjust the amount of your regular payment (and default charges) in a way that is specified in this Agreement. Otherwise, the terms of this Agreement can only be changed if we and you both agree to the changes and the changes are confirmed in writing. Please note that a change in the TD Prime Rate, which affects your annual interest rate if you have a variable interest rate Loan, is not a change that requires your consent. If you breach this Agreement, we may waive the breach in writing. If we waive a breach in writing it does not mean that any additional breach by you is also waived.

15. Entire Agreement: This Agreement is the entire agreement between you and us. You agree that the following are incorporated by reference into and form an integral part of this Agreement: (a) the terms of the credit application you submitted to us, including your consent to our collection, use and disclosure of your personal information, (b) the bill of sale, and (c) any other agreement relating to the purchase and sale of your vehicle, including all schedules and disclosures attached to such agreement and all disclosures provided to you by the dealer, including any vehicle history, any disclosures related to internet agreements, remote agreements, or direct agreements (each as applicable), and any use and condition disclosures.

16. Customer Resolution Process: If you have a problem or concern you may contact us via the following methods. For a more detailed overview of our complaint handling process, please visit us at <https://www.td.com/to-our-customers/resolving-your-problems/comments.jsp>

Pre-Authorized Debit Agreement

If you (which also includes any person who has agreed to be a holder of a PAD Account (defined below)) provide your PAD Account Holder Information in the box below and/or if you sign below, you authorize us to debit your account as indicated below or as indicated on a void specimen cheque provided by you, or such other replacement account as indicated on a new void specimen cheque provided by you (each, a **PAD Account**), with the amount of each Regular Payment Amount and the Last Payment Amount on the due date thereof and all other amounts that you may owe to us from time to time under this Agreement. In each case, if the date that such debit is to be made is a Saturday, Sunday or any day we are not open for business in Ontario, then the debit will be made on the next day we are open. The foregoing payment amounts and the due dates thereof may change, but by providing PAD Account Holder information below and signing this Agreement or a separate PAD Authorization, **you waive any requirement that we provide you with pre-notification of any such changes.** You also authorize us from time to time to debit the PAD Account for prepayments and other amounts, which authorization will require a password, secret code or other equivalent of your signature which will constitute valid authorization for the Processing Institution (defined below) to debit the PAD Account for such amounts. You acknowledge that this authorization is for the purposes of personal pre-authorized debits.

You acknowledge that this authorization is being provided for our benefit and the benefit of the financial institution where the PAD Account is held (the **Processing Institution**), and is being provided in consideration of such Processing Institution agreeing to process pre-authorized debit requests (each, a **PAD**) against the PAD Account in accordance with the rules of the Canadian Payments Association.

You may cancel this authorization at any time by giving 30 days prior notice to us. Such notice may be in writing or may be given orally (if we are able to verify your identity). If you cancel this authorization and do not provide us with alternative pre-authorized debit instructions acceptable to us at least two weeks before the next date that a debit is to be made, you must still arrange for payments to be made in accordance with the terms of this Agreement. This authorization only applies to the method of payment under this Agreement and neither this authorization nor cancellation thereof affects your obligations under this Agreement. To obtain a sample cancellation form, or for more information on your right to cancel a PAD agreement, you may contact your financial institution or visit www.cdnpay.ca.

You acknowledge: (a) that this authorization to us also constitutes delivery thereof by you to the Processing Institution, and (b) that the Processing Institution is not required to verify that each PAD submitted by us has been issued in accordance with this authorization (including the amount) or that the purpose of the payment for which a PAD was made has been fulfilled as a condition of honouring a PAD.

ELECTRONIC AUTHORITATIVE ORIGINAL TO TD AUTO FINANCE (CANADA) INC., COPY TO BUYER, COPY TO DEALER

You may dispute a PAD if (1) it was not drawn in accordance with this authorization or (2) you have cancelled this authorization. In order to be reimbursed for a disputed PAD, you must deliver a written declaration that either (1) or (2) above took place to the Processing Institution within 90 days after the date that the disputed PAD was posted to the PAD Account, and if you do not, the disputed PAD must be resolved between you and us. You have certain recourse rights if any debit does not comply with this PAD agreement. For example, you have the right to receive reimbursement for any debit that is not authorized or is not consistent with this PAD agreement. To obtain more information on your recourse rights, you may contact your financial institution or visit www.cdnpay.ca. You warrant to us on a continuing basis that all persons whose signatures are required to deal with the PAD Account have signed this Agreement or have provided a separate authorization, and you agree to provide us with updated information in writing concerning any change to the PAD Account.
